- 1. Route: ID = Intradermal, IM = Intramuscular, IN = Intranasal, PO = Oral, SQ = Subcutaneous
- 2. **VIS date:** Document the publication date of the appropriate VIS. If VIS is given on a date other than the date of vaccination, also document the date VIS was given to patient or individual responsible for the patient.
- 3. **Manufacturer:** GSK = GlaxoSmithKline, MBL = Massachusetts Biological Laboratories, MSD = Merck & Co., NOV = Novartis, PFZ = Pfizer, SP = sanofi pasteur
- 4. **Indicate if state-supplied or privately purchased:** S = State-supplied, P = Privately purchased
- 5. Site Vaccine Given: LA = Left Arm, RA = Right Arm, LT = Left Thigh, RT = Right Thigh
- 6. Signature or initials of person administering vaccine: Can be used if more than one person is administering vaccines
- 7. **Exemption or Contraindication:** MED = Medical, REG = Religious, PHIL = Philosophical, MOR = Moral, HOD = History of Disease (Please indicate date of exemption, contraindication or disease)
